What good, exciting, refreshing happening days at Spring Meadows!! Today we welcome another new family to our Family. **Charles and Anita Melton** spent most of their lives in California. They have done mission work in several places including Japan. We are happy to have them as part of our Family here!

I want to thank you for the outstanding response to our **Stamp Out Hunger** food drive last week. It was overwhelming. It was our best first day sign-up ever! In fact, while we can still use some folks, we are in great shape already! The date is **May 9th** in case you'd like to help. Just let me know.

I also want to thank those who did the work on the wall between the high school and middle school classrooms. We now can open that up into one big room. These groups continue to grow and this will facilitate that growth. Wednesday night they

had roughly **50** in class. The work looks great! If you've not seen it, check it out.

This coming weekend is our **Family Retreat** at Camp Meribah. You might still be able to sign up and enjoy the fun. See Jerry for details.

Finally, today we will hear from one of the young men who spoke at **Lads to Leaders** earlier this month. These 5 minute lessons and this training are essential to the future. We're proud of all of those who were a part of it!

from this day will go toward mission work.
