✘ The Tie That Binds ✘

by Dale Jenkins

Welcome! It is very possible you are a guest today and it is very possible you either don't have a church family or you are looking in on us to see what we are like. Well, let me tell you with a great degree of transparency:

- We are like you; not exactly. But like you we struggle in some area of our lives. We've made messes - some financial, some family, some with our faith. Don't feel like you are the only one. We are all sinners. We're not proud of it but it is a fact.
- We are trying to be the church Jesus wants us to be: We call ourselves the "Church of Christ" not to affiliate with a denomination but to identify with Christ. This is His church and when you see and hear us do something, know that the first thing we did was try to run it through the filter of His Word.
- We love each other - we really do. We aren't perfect at this either. We get cross with each other from time to time. We get on each others nerves.

We see things differently and disagree sometimes. BUT bigger than all of that, and we hope you feel it today, is that we love each other...deeply.

- We love to worship. We hope you see that today. Join in with us and enjoy that experience of bringing our adoration to God this day!
- We want you here. Can we say it clearly and authentically? We think you'd be a great member of this Family and we are on your side spiritually. We want you to join us in loving the Lord and helping each other go to heaven.

Thanks for coming today, and we hope you'll make it a habit! See you next week?
