## ✘ The Tie That Binds ✘

*by Dale Jenkins*

Is it okay that I want you to love this Family as much as I do? I rarely walk out of this place without feeling an overwhelming sense of blessing. What I think I love most about this church is how little, I, the preacher, have to do with it being a place of wonder. Most churches the preacher has to be the center of everything and when people talk about it, they talk about the preacher and the preaching - but, in my experience, many of them are so focused on him that they miss all HE is doing with so many others. I am always in love with how YOU serve. Thank you for letting me be a part of all of this.

in a few weeks. I know we are a little early, but fall will be here before we know it. Of course, that means Fall Festival, Trunk or Treat, and some of our other really big events. Remember school starts back to watch for new people - meet new people - invite those people and let's continue to grow God's Kingdom!

We are on the backside of about six weeks of huge summer activities. It is hard to believe that school will be back in session
