✕THE TIE THAT BINDS✕

by Dale Jenkins

Some days you just need to worship. Most of us have a lot going on in our week-to-week life - please set them aside and let's worship. You need it. Your spirit needs it. Your soul needs it. And the person sitting beside you needs it. Our worship is to and about God, but in the process of being lost in praise and in these moments your soul will be fed. So, we work together too, so build. You need worship every day in your life, prayer, song, praise, and time in The Word, but this time is special and unique as in this time we are blessed to build "one another" up! So, this is Holy Ground, this time together. Please allow your soul to be immersed in these blessed moments.

Good stuff ahead: Backpacks, back-to-school luncheon, and today, a special announcement from our Shepherds.

I love you all!
