Happy New Year! Those words are awesome. They are accomplishment - we made it to another year. They are hopeful - belief that there will be happiness in the year to come. They are encouraging - a wish, a desire that YOU will be happy in the new year. They are forward-looking - last year may have been the pits but this is NEW. They are optimistic - the year to come can be better. So, my Family and Friends, HAPPY NEW YEAR! Let's make the most of it for the Lord. By being here today, you've made a great start in that direction. If you are new around here, welcome! Let's build on that.

Our End of the Year offering ended up being very good. Thank you all. There are good things from it ahead.

Tonight is going to be neat. Matt Cook continues to excel and grow in his abilities. If you've heard him before, you'll want to hear him again. He will speak tonight at the Area Wide Youth Series as we kick off 2020 for these good churches. We'll welcome a lot of

young people. Let's add value to their lives!

I'm excited today that the elders are supplying each family with a copy of HIS LIFE. This is the next daily devotional guide in the ONE WORD, HIS WORD series. The elders want this to aid in your family's spiritual health. See me if you need an extra copy or want one to give to someone else.

I hope you will make the most of every day this year! I love you all and am blessed beyond words to work with you.
