## THE TIE THAT BINDS

by Dale Jenkins

Good morning and welcome to the most unusual time that any of us have ever seen. Let's not be silly and play games, this is not best. I want us together. More than that I believe God would want us together. BUT, for a while, it appears this is the best we can do. So, let's make the most of it. We will work as hard as we can to make us able to connect with each other even if we are not in front of each other. I want to encourage you to reach out, call, text, communicate, love, and care for each other in every way you can right now. Let's not let this pause in our public assemblies pull us apart. In fact, might we use it as a time to reestablish in our hearts the place, importance, and high value of our times together. In the meantime, as ever, let us all do our best. I love you all.
