## THE TIE THAT BINDS

*by Dale Jenkins*

Have you noticed, everybody's frustrated? A lot of folks did well the first 3 months of this, but now that what we thought might last a few weeks has gone way into overtime, the "we're all in this together" has turned into mounting frustration amidst opposing opinions and conflicting experts. It is mighty easy right now to turn our general frustrations about which we feel unable to do anything to fellow-workers, family, or even the church and her leaders. It is simple to become finders of fault rather than messengers of hope. I want to challenge you to be different than the norm. I plead with you, on behalf of the Lord, for the sake of your family, your church, and your soul to rise above and continue to believe the

future with God is better than anything else!

This week Roman Andrew was born to Hunter and Michael Gunnells. We rejoice with them.

Finally remember how we are trying to do school supplies differently this year. You'll find details on the back.

I love you all and am thankful for you! I know you always do great things! You are the best people I know.
