THE TIE THAT BINDS

by Dale Jenkins

It's going to be a grand day. We welcome Will, Janae and Drew Richter. Will works in Client Success/Support at IHS Markit and Janae runs her own photography business. Drew is full-time in being a cute 7 month old.

Part of what makes this day special is that it's Larry's 8th anniversary with us. As we have gone through the last 4-5 months, I've been reminded over and over of the passion each member of the church team here has and of their abilities. Larry's passion to lead us in our worship, to try to make "at home" meaningful opportunities for individuals and families to worship together and for us to feel like a Family. He has also tried to help our times here be an actual time of worshippers worshipping and not of people putting on a show. In that he has,

as he always does, led in putting together services that impact our souls. I am thankful for each of our team members and how God uses them to help HERE be very special. Thank you Larry for giving of your life to help grow God's People here as you, yourself grow. And, thanks for bringing your girls to be a part of this great Family.

You know, I'd love to talk about plans and completely reopening and everyone being back and all of those good things, but the situation continues to develop and change. For now, I continue to challenge us to make the most of what we have and worship and honor God in all we are doing!! God has already used this time to grow us - I think the future will be bright!

I love you all and hope the week ahead is outstanding!
