We appreciate you worshipping with us today!

GOOD MORNING!

It has been such a beautiful week. We are truly blessed to be able to gather together today in freedom to worship God. Some days you just need to worship. Most of us have a lot going on in our week-to-week life but please set it all aside and let's worship. You need it. Your spirit needs it. Your soul needs it. And the person sitting beside you needs it. Our worship is to and about God, but in the process of being lost in praise and in these moments, your soul will be fed. May your soul be blessed in our time together!

There are a lot of exciting things coming up! Today I want to take time to encourage all of our married couples to set aside Saturday, OCTOBER 29th. That's almost a month to arrange your calendar to make sure you and your wife can be here for RECONNECT!!! - Rope in the grandparents to watch the kids. Grandparents - invite your married kids to come to the seminar while you watch their kids. Whatever you need to do, MAKE BEING A PART OF THIS SATURDAY - TOP PRIORITY.

Every marriage has challenges and every one of us has things which we can learn to do better in our marriages. Whether you've been married for a week, a year, or decades, you can be a better husband or wife, and your marriage can be more of what God created it to be. Please don't miss this opportunity. Our elders have fully covered the expenses for this weekend to make it FREE for each one to attend. Come that day and enjoy the lessons learned for a lifetime.
