## Thanksgiving Week!

It is always wonderful for us to be able to gather together to worship! Today is no different. We are blessed with so many guest this morning. I hope that you will allow us the opportunity to meet you and let you know how thankful we are that you are here with us.

At the center of worship has always been a sense of thanksgiving. As we think about all that God has done for us, may we never forget to give back to him the fruit of Thanksgiving. May this week, as well as this worship, center your hearts on the goodness of God and all that he has done for us. May our lives find purpose in living for him and bringing him glory.

Gratitude is the healthiest of all human emotions. The more you express gratitude for what you have, the more likely you will have even more to express gratitude for. - Zig Ziglar

Thanks so much to all of the hands that came to serve through the canned food drive at Columbia Academy on Friday. It was amazing to see all that was done in such a short period of time. - Chuck

I want to give a big shout out to all the volunteers who showed up in Columbia Friday to help make the C.A. food drive a big success. It never ceases to amaze me, when the call goes out for help, this family never lets you down.

We had over 21 people respond. Thanks again. You're awesome!
