Welcome New Members!

Gary and Tammy Williams
Thompsons Station, TN

Rejoice! Tinley Swiercz was baptized November 23rd!

Welcome!

Psalm 19 begins with these words: “The heavens declare the glory of God; the skies proclaim the work of his hands.”

This is Hubble’s first new #StarrySights image! This glittering gathering of stars is Pismis 26, a globular cluster located 23,000 light-years from Earth. Many thousands of stars gleam within. So densely packed with stars, that it appears almost spherical.

Image credit: NASA, ESA and R. Cohen

When I read the name, Pismis 26, my mind transposed the word Pismis to Psalms (I know there is really very little similarity but such is my mind.) I quickly turned to read the passage and tucked within it I found these words: *“proclaiming aloud your praise and telling of all your wonderful deeds. Lord, I love the house where you live, the place where your glory dwells.*

Psalm 26:7-8 Certainly, God is ‘omnipresent’ meaning HE is everywhere, but typically in our finite minds, we often think of the literal ‘heavens’ of the creation as the place where God is.

Consider how glorious this creation of God is that we have just captured through Hubble, imagine actually being in the PRESENCE of the creator of ‘Pismis’ and seeing its beauty dwarfed by the GLORY - MAJESTY - AWE - LIGHT of the ALMIGHTY GOD we are here to worship today!

That 26th Psalm ends a call to worship for us today: “In the great congregation, I will praise the Lord.”

I am so thankful you are here today!
