## It's a GREAT GREAT MORNING!!!

Perhaps you remember that old song. If you do, it likely brings a smile to your face. Have you ever thought about the implications of the great great morning we call 'Easter' morning? Coming to a tomb fully expecting to find a dead man, only to discover the empty tomb and a risen LORD - can you imagine?!?!

Of all religions in the world, there is one distinctly unique feature of Christianity: God (in flesh, Jesus) dies for His creation, a self-sacrifice to save them, followed by a RESURRECTION (on the 3rd day) to LIVE AGAIN!!! Many 'gods' in the minds of their believers demanded sacrifices, but NONE of those 'gods' were willing to BE the sacrifice or exhibit the kind of LOVE necessary to carry it out. The MERCY of God is seen in his willingness to become one of us (Incarnation), in Christ to offer HIMSELF out of love for us (John 3:16). Not only would HE die for us, Christ Jesus would also be victorious over sin, death, and the grave and HE would RISE to live again with death never to overtake Him again (I Corinthians 15). The great hope for the disciples of Jesus is that we can see into our future because of His Resurrection and Promise.

Thank you for making today a priority for your family. There is nothing in this world of greater importance than this truth and it is the only thing with the power to change our eternity. May God richly bless us as we worship together this day. Thank you for coming. Please give us the opportunity to meet you and your family. As we begin, may be all with great faith say,
